Information Page

Retired teachers still remember those years of teaching when money was scarce and there were so many things we would like to have purchased for improving our classroom learning experiences. Our organization is offering a limited number of grants to help buy some of the things you believe would enhance learning in your classroom.

You are eligible to apply if:

1. You are a full time K-12 teacher in a Kings County public school.
2. You complete the application process in a timely manner.
3. You possess a regular or emergency California teaching credential.

You may apply for a mini-grant in any amount not exceeding \$200.00. Mini-grant winners will be determined on February 15, 2018.

Grant money is to enhance or enrich the learning experiences of students in the classroom such as computer programs, reference materials, bulletin board materials, etc. It may not be used for basic instructional materials. The grant is to be used in the year in which it is awarded.

Whatever is purchased with the grant money becomes the property of the teacher, not the school or district.

We do require that winners:

1. Use the grant money in the school year in which it was received.
2. Provide CalRTA Kings County the Mini-Grant report no later than May 4, 2018.
3. Winners are also encouraged to attend the Kings County CalRTA luncheon meeting on June 11, 2018 to share with members how the money was used. The luncheon will be held at the Fraternal Hall in Hanford and begins at 11:00 AM.
